"Each barge owner/operator whom requests (hereinafter each a "Requestor") that Kirby provide marine transportation services hereunder, which expression includes: (i) towing services; and/or, (ii) hourly harbor shifting services and/or hourly standby boat services represents and warrants that when tendered by the Requestor to Kirby that each barge or other vessel shall be tight, staunch, and seaworthy, fully equipped and supplied. To the extent that Kirby determines, at any time following Kirby's acceptance of tender from Requestor, that the condition of such barge or other vessel is unsuitable for the requested marine transportation services, is unseaworthy, or for any reason constitutes a risk or hazard to the entirety of tow, then Kirby shall so notify Requestor in writing, and Requestor shall immediately take action to remedy the condition and/or deficiency. Requestor acknowledges and agrees that a Kirby standby boat shall remain with such barge at the then-current hourly standby boat services rate – merely as an accommodation to Requestor – until Requestor takes action as aforesaid."
